

NORTH OAKLAND CONCERT BAND

CONCERTO COMPETITION

Approved Repertoire

Approved Repertoire: Applicants are required to audition with the same work they intend to perform with the North Oakland Concert Band. The selected work must have a commercially available concert-band/wind-ensemble accompaniment, with score and parts available for purchase or rental. Piano reductions may be used for practice purposes but do not satisfy this requirement.

Saxophone: Applicants may compete on soprano, alto, tenor, or baritone saxophone. Repertoire must be specifically written or officially published for the selected instrument. Adaptations between members of the saxophone family require prior approval.

Repertoire Approval: Applicants may request approval for another work if an authorized concert-band or wind-ensemble score and parts are currently available for purchase or rental. The exact edition must be submitted for approval before the audition.
